

We aim to offer our professional and extensive services to all people seriously interested in immigrating to New Zealand.

By carefully evaluating your details, we are able to inform you instantly whether you have any realistic chances to succeed under the provided categories.

Our company will do its utmost to help seriously interested immigrants, however, we ask you to kindly refrain from any nonsense inquiries. Therefore please pre-assess yourself in the first place whether you are prepared to take this step.

Thank you for your understanding - we appreciate your co-operation in this matter.

About us:

Established in 1997 with a continuously growing number of satisfied clients. The last immigration year ending 30 June 2008 was the most successful one in the history of our company with a total of more than 400 visas/permits issued.

IAA Licensed Immigration Adviser 200800579

Company registration number: AK/973706

Memberships:

New Zealand German Business Association

Open Business Club (www.obenbc.com)

Member of the Immigration Advisers Authority Industry Reference Group which contributed to the development of the licensing parameters and process.

Our company is based in Auckland - with 1,4 million inhabitants, New Zealand's largest metropolis.

You benefit from our Auckland location in terms of our excellent contacts with all authorities involved in the immigration process as well as our closeness to the Auckland International Airport.

A further branch operates in Germany.

In general all applications will be dealt with through our Auckland based experts ensuring you the most thorough advice, service and success.

Ultimately, all employees are familiar with the immigration law and up-to-date with the frequent change in regulations.

You can find us in the Yellow Pages

Our fees:

A lean administration, investments focused on quality rather than quantity and avoiding extensive representation costs, enable us to offer you our most competitive fees. Please feel free to compare.

In addition, we offer a 100% money-back-guarantee should we make mistakes at time of lodgement of your application. This includes any down payments already made.
